**Message to the Congress on Continuation of the National Emergency With
Respect to the Actions of the Government of Syria**

May 3, 2010

To the Congress of the United States:

Section 202(d) of the National Emergencies Act, 50 U.S.C. 1622(d), provides for the automatic termination of a national emergency, unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the actions of the Government of Syria declared in Executive Order 13338 of May 11, 2004, and relied upon for additional steps taken in Executive Order 13399 of April 25, 2006, and Executive Order 13460 of February 13, 2008, is to continue in effect beyond May 11, 2010.

While the Syrian government has made some progress in suppressing foreign fighter networks infiltrating suicide bombers into Iraq, its actions and policies, including continuing support for terrorist organizations and pursuit of weapons of mass destruction and missile programs, pose a continuing unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue in effect the national emergency declared with respect to this threat and to maintain in force the sanctions to address this national emergency. As we have communicated to the Syrian government directly, Syrian actions will determine whether this national emergency is renewed or terminated in the future.
